DETAILED ACTION

In light of amendment filed on 8/29/2005, and by incorporating allowable subject matter of claims 2 and 9 in independent claims 1 and 8, instant claimed invention are in condition for allowance,

Now claims 1, 3-8, 10-15 are allowed (renumbered as claims 1-13).

REASON FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: as to independent claims 1 and 8, the closest prior art of Wolff alone or in combination with other prior art fails to teach or fairly suggest a method/device for remote addressing of an item of mail as recited in claims 1 and 8 of instant application. In particular the key distinction between the claimed invention and the closest prior art is that the closest prior art does not rely upon obtaining a sequence of coordinates representing the graph of the handwritten address as required by the independent claims 1 and 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
